STANDARD OPERATING PROCEDURE - GREENVILLE MUN. WATER UTILITY

The procedure for customer water leak adjustments are as follows:

A customer's leak is determined as a loss of water which exceeds by 50% of the customer's average water usage for the preceding six (6) months.

After a six (6) month average has been determined the customer will pay the six (6) month average according to the current rate schedule.

All water loss above the determined six (6) months average use will be paid at the lowest rate as specified on the present approved rate schedule.

A customer is allowed one (1) leak adjustments per a twelve (12) month period.

In order for the customer to claim the adjustment he/she must present to the Utility proof of leak repair by means of a parts receipt or an invoice from a contractor that made the repair.

Requests for adjustments must be submitted within (6) months of a leak to the Utility Superintendent.

All money adjustments are to be approved by the Greenville Town Council.

Effective the 12th day of MAY 2003.

Gary Getrost
Utility Superintendent

Approved by Greenville Town Council the 12th day of MAY 20 03
