A special meeting of the Greenville Town Board was held to discuss the Water Utility lake. All Board members were present. Also attending: Gary Getrost.

The Board discussed dredging the lake while the water is at an extremely low level. The Board agreed to accept the bid of Dan Cristiani of \$15.00 per load of dirt. This was the only written bid received. Rick Beck was also invited to bid. This being an emergency situation, and because the contractor can begin work tomorrow were also considerations in accepting the bid of Dan Cristiani.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Elaine N. Miller  
Clerk-Treasurer

H. L. Spears  
President of the Board
